

Free Digital Television

It's a revolutionary step in broadcasting in New Zealand. Free Digital TV. Once you've experienced the sharpness and clarity of a digital picture, you will wonder how you put up with the old analogue reception for so long. The list of available TV channels is impressive and growing. Take your home entertainment into the 21st century now and get a Digital system installed professionally by Aerial Master.

Aerial Master Palmerston North is locally owned and operated. We have been servicing the Manawatu region for over a decade which means we have the local knowledge required to get you great TV reception. Our team of technicians cover a large area which includes the following towns and cities - Otaki, Levin, Foxton, Bulls, Marton, Wanganui, Taihape, Raetihi, Ohakune, Waiouru, Palmerston North, Feilding, Woodville, Ashhurst, Dannevirke, Pahiatua, Eketahuna and all of the places in between.

Call us now on (0800) TV Aerials (0800 882 374) or email to arrange a Digital Installation. We have a special deal price available at \$550 Inc GST. This is fantastic value and gets you all of the equipment you need, professionally installed and setup for you. Our technician will even show you how to use it !
